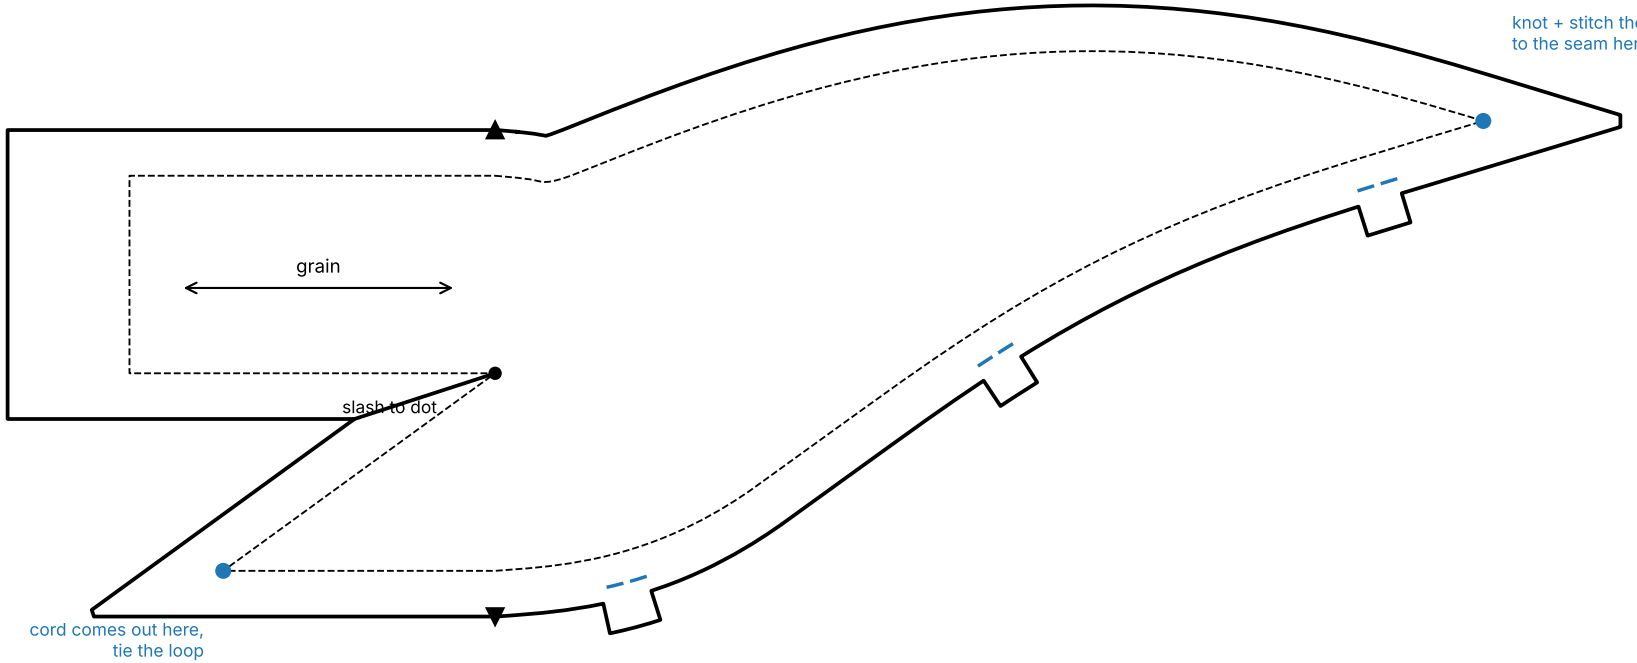
FINGER HALF - polyp-5-taper-tabs-letter

1 in
test
square

Print at 100 % / Actual size, landscape.
Check the square measures 1 in.



Cut 10
(5 pairs: fold fabric
in two and cut 5)

Outer edge + tip + inner edge
+ triangle's straight edge
= seam to its twin

Both sides of the V
= seams to the
neighbouring finger

Blue = 3 string tabs on the inner edge.
Sew the seam, then sew each pair of
tabs together 0.159" out, on the blue line.
The cord runs through the pockets
and is free in between.

Solid line = cut. Dashed line = sew. Seam allowance 0.238" included. Cuff circumference 10.29" for a 3.17" tube (0.317" ease). SCALE MODEL: 63% of full size.
